BETWEEN
ACADEMY OF PUBLIC ADMINISTRATION OF THE REPUBLIC OF
MOLDOVA
AND INSTITUTE OF PUBLIC ADMINISTRATION AND
ENTREPRENEURSHIP OF URAL FEDERAL UNIVERSITY, RUSSIAN
FEDERATION**

Academy of Public Administration of the Republic of Moldova, represented by the rector Oleg BALAN, on the one part, and the Institute of Public Administration and Entrepreneurship of Ural Federal University, represented by the Director Aleksey KLUEV, on the other part, hereinafter referred to as “the Parties”,

desiring, to establish and develop cooperation with the regard on training highly skilled civil servants between the Republic of Moldova and the Russian Federation,

recognizing, that cooperation in the training of highly qualified civil servants is an important necessary priority in the development of friendly relations between the nations of both countries,

intending, to expand the basis for the development of training and advanced training systems of civil servants, as well as the implementation of cooperation in the field of educational and scientific-research activities, public administration and policy, have agreed as follows:

Article 1

The Parties in accordance with the legislation in force in their countries, and international law norms, coordinate among themselves the national concept and requirements for the training of civil servants, establish and develop relationships that will contribute for improving training systems, retraining and advanced training of personnel for the central and local authorities of state power in the Republic of Moldova and the Russian Federation.

Article 2

Elaboration and publication of common scientific works, textbooks, teaching aids, teaching materials, recommendations in the field of civil service and advanced training of civil servants.

Article 3

Joint development of public scientific research projects in the field of state policy and the identification of funding sources for the scientific-research work, representing mutual interest of the Parties.

Article 4

Conducting joint conferences, workshops, round tables, thematic debates with the participation of experts in the field of civil service and representatives from scientific environment, specializing in the analysis of the activity of state structures and increasing the efficiency of public administration.

Article 5

Implementation of the mutual training of teachers for experience exchange, to increase their level of scientific and pedagogical skills, participation in classes, as well as the implementation of a permanent exchange of students between the two institutions.

Article 6

Ensuring the conditions for admission to postgraduate (doctoral) representatives of the Parties on an equal and mutual beneficial basis.

Article 7

Elaboration and implementation of advanced training programs for civil servants, study and dissemination of the achievements and positive experience of Parties.

Article 8

Updating library fund with the traditional book resources in the field of public administration and politics, and the transfer of existing electronic resources of the Parties on the preparation and advanced training of civil servants.

Article 9

By mutual agreement of the Parties this Agreement may be amended and supplemented, of separate protocols, being an integral part of this Agreement.

Article 10

Disputes and disagreements arising during the implementation of this Agreement will be solved through mutual negotiations.

Article 11

This Agreement is signed in two copies in Russian and English languages, each copy has equal legal force.

The agreement is subject to automatic extension if either Party does not send a notice in writing to the other Party of its intention to cancel the Agreement not later than three months before its expiry.

Article 12

This Agreement does not restrict the rights of the Parties in order to participate in other forms of inter-university cooperation in the field of training and advanced training of civil servants, scientific staff and scientific-pedagogical personnel.
